BATTERY OPERATED CARTS

The campus insists on restricted movement of motorized vehicles within the campus as part of our contribution towards a sustainable environment (by reducing carbon emission) and for safety of the stakeholders in the campus.

Hence, battery operated carts are used for maximum movements within campus. Such carts are used for staff / students as well as for material.

For Cart support, kindly liaise with the Transport Department.

PARKING FACILITY

- As part of contributing towards a sustainable environment, we have always emphasized on usage of public transport (bus facility offered by campus, carpool which may be organized privately etc.). But there are a few cases where individuals need to commute on their own vehicles.
- For the comfort of such students and staff, parking space has also been provided in campus.
- The various parking slots are identifiable based on the color codes provided (Purple - Turing, Yellow - Gate No. 3 & White - Picasso Rear). There are some more parkings for the two-wheelers as well as the Buses.
- All concerns related to parking permits may be taken up with the Security Department.

PANTRIES

Almost all departments /schools have been provided pantries to facilitate the employees with facilities like an induction top, kettle, microwave oven and refrigerator.

We have more than 62 pantries in the campus.

For any queries as regards the Pantry, kindly liaise with the Building Administration Officer/Supervisor.

LOUNGES /CONFERENCE ROOMS/ HALLS / EXPLORETORIUM/ OATS/ GROUNDS /STUDIO 401/ SPECTACLES.....

The above mentioned are few more facilities of the campus which also form part of the **common venues** of the campus and can be utilized by all stakeholders.

To understand more about these facilities, kindly refer the laid process as well as presentation giving a detailed description of how to avail these facilities.

CHITKARA UNIVERSITY

has always strived to, and will continue to, provide state-of-art infrastructure and the best of the facilities to its stakeholders so that they may

EXPLORE THEIR POTENTIAL.....!!
