# INTERACTIVE SESSION – DAY 2

This year, keeping in mind the pandemic, and the necessity for social distancing; and to ensure that routine work does not get hampered on a working day, it was planned that the session for support staff to **Explore Their Potential** be organized in 2 days. The first session was held on **05 Feb 2021**, and the second session happened today, **19 Feb 2021**.

The session started with a talk by Ms. Rina Angel, Director, Administration, where the mission, vision, logo, quality policy of Chitkara was explained to the support team members.

As they happen to be the first point of contact for many guests /staff and students, it is necessary that they display an excellent image of Chitkara. Hence, they were given tips on dress code, display of good manners in public, personal hygiene, etc.
