Each and every participant was handed over a bottle of disinfectant.

This was provided by CURIN.

Keeping in mind the pandemic, the staff was advised to ensure cleanliness at home. And this bottle of disinfectant would surely help in ensuring a germ free /cleaner residence.

And then it was time for “*paet pooja*”! Venue was the incredible **CIRCLE ONE**,

Everyone enjoyed the snacks and ever so pleasing hospitality of the Office of Student Services (OSS).

Thank you, Vishal Sir and team, for the wonderful arrangements, mouthwatering refreshments and hot tea !!

A thankyou to all those who made this happen - Team Electrical, Branding , IT, OSS , Maintenance , Security and Administration.

And HEARTFELT GRATITUDE to the **HONORABLE PRO CHANCELLOR, DR. MADHU CHITKARA** for always being there for us and making sure that welfare of the support teams, is always taken care of.
