

CRECHE FACILITY @ CHITKARA UNIVERSITY

Facility of Creche is available in our campus so that our employees, who are parents of toddlers, can work comfortably, while the toddlers can be taken care of , within the campus itself.

For parents, to avail the facility, to understand the formalities, they may contact Team Administration @ 9501004247 (Hon. Capt Ravinder Singh) or @ 8847421226 (Mr. Gurjit Singh).

At the Creche, toddlers tend to learn how to play with other children. Toys and activities at the Creche keep them occupied. CCTV coverage of the venue makes sure that the venue is continuously monitored. We have various celebrations too at the Creche.
