

SWACHH BHARAT ABHIYAAN

EK KADAM SWACHHATA KI ORE

COMPETITIONS - JANUARY 2023

Swachhta Abhiyan is nowadays a term used so frequently..... and the term *Swachhta* is a very commonly used term in each household..... Thanks to our Government, *Swachh Bharat Abhiyan* is a very well-known national level campaign which was initiated in Oct 2014 to improve the cleanliness in India. But long before that CHITKARA UNIVERSITY had adopted the essence of *swachhta* and always believed in providing a clean and hygienic environment for studies and work..... And the credit for this is truly and wholly due to the Iron Lady with a Golden Heart.... our worthy, Honorable Pro Chancellor, Dr. Madhu Chitkara.... !!!

She has always been **THE** one who insists that we are all provided with state-of-the-art infrastructure and a clean and hygienic facilities. But **MAINTAINING** the venues clean and best utilization of space, is **our responsibility** too, and we need to make sure that we handle our role and play our parts well....

SWACHHATA KI ORE

The real purpose of **Swachhta Bharat Abhiyaan** shall be served only when it becomes our **habit**..... rather than an “*abhiyaan*” As teachers, we should be role models in this & in contributing to the SDGs, so that we can be sure that our students can imbibe the attitude of SWACHTA from us. It is with this intention that we hold Swachhta competitions in our campus. We thank all the Pro VCs, Deans and Directors for their all-out efforts in the competition. The competition displayed the true spirit with each team trying to bring out the best.

A huge THANK YOU to all the judges in the various panels for the competitions this year. As the venues in the competition were all ACADEMIC venues, conscious efforts were made to include judges who were not directly linked to the Academic activities or venues. It was indeed very kind of them for having visited all the venues and helped in the *Swachhta* Competition- January 2023, despite their very tight and busy schedules!!

AM SWACHHATA KI ORE

This year, the competition held in January 2023 was for three categories - SWACHH STOREROOM, SWACHH CLASSROOM and SWACHH BUILDING. The Swachhta Awards felicitation was held as a segment of the Excellence Awards held on 04 February 2023.

Presenting before you some glimpses of the Swachhta Awards and the final results.....
