Jointly by

**TEAM ADMINISTRATION, TEAM HORTICULTURE &
OFFICE OF STUDENTS WELFARE**

As part of the activities for the **Global Clean and Green Week**, one activity was, the contribution towards cleanliness and greenery in a school of one of our five adopted villages.

We selected *Thuha* village.

A ***nukkad naatak*** to convey the message of keeping our environment clean and green, **cleaning of an earmarked area and creating a garden** was the aim of the visit to the village.

The Support staff of Housekeeping and Horticulture were the main heroes of this activity and students were the messengers of the necessity for the activity !!
