ek aur kadam swachhta ki ore.....!!

Chitkara University has always believed in a clean environment and has always contributed to the cause, be it within the campus or in the society.

In response to the call by the Government to contribute towards a Swachh Bharat, this year the idea was of Ek Tareekh, Ek Ghanta ...where all organizations were requested to contribute, by having cleanliness drives of venues selected by them.

Timing was of 10 am to 11 am on 01 Oct 2023.

Team Administration chose three venues for the same.

1. Bus Stand, Jhansla,
2. Under Bridge Area between Neelam Hospital and Chitkara University & Slip Road,
3. Waste Yard, Chitkara University.
