CHITKARA UNIV

The 8th Excellence Awards was organized in the campus on 17th Dec 2023.

It's a star-studded event where the extraordinary performers from various fields of Research, Consultancy, Patents etc., are felicitated for their remarkable contributions.

The stars, would proudly receive their awards from the Revered Chancellor, Hon'ble Pro Chancellor, and Respected Vice Chancellorhence, each frame of picture being captured would be stellar indeed! It was thus pertinent that the stage be made **“STAR worthy”**.

As there would be a gathering of more than a thousand, including faculty and staff, we decided to create a few photoboosts too.

Let's take you through a few glimpses of the event and the photoboosts at the venue ...!!!
