

CELEBRATING THE TRUE WARRIORS OF A CLEAN & GREEN CAMPUS

@ CHITKARA UNIVERSITY

(23 Dec 2023)

- *They may always be at the backstage, but they perform their duty with dedication and have a lot of talent too....yes.... they are the strong support pillars of our campus!!!*
- *Celebrating the amazing warriors who keep us comfortable with a clean and green campus and giving them a chance to **EXPLORE THEIR POTENTIAL** was the purpose of this event organized by the **Office of Administration**.*
- *The performances was indeed a treat to our eyes and ears. Some of them sweetly surprised us with their appearance and confident performances.*
- *The motivation was such that we had three surprise events from staff who came in after seeing the performances, with a request that they too wanted to perform . We happily gave them a chance.*

Presenting a few glimpses of the event....!
