

CULTIVATING A UNIFIED WORKPLACE

GAUR GOPAL DAS @ CHITKARA UNIVERSITY

It was indeed an honor to have ***GOPAL DAS GAUR*** on our campus, on 10 April 2024!!

His talk , with a huge sense of humor, and yet brimming with thought provoking facts, narrated as stories, was an absolute inspiration to bring out the best in ourselves.

We, the Office of Administration, consider ourselves honored to have been able to listen to his pearls of wisdom, and to also have been instrumental in creating décor for the venue Exploretorium!!!
