GRATITUDE!!

Based on request from Office of Administration , CUPDC facilitated the session for Non-Teaching Staff of Administration. We, from the Office of Administration extend our heartfelt gratitude!!

The staff who attended the session have thoroughly enjoyed it and have gained immense knowledge on very minute details of effective communication and teamwork. This would add to their strengths and would surely enhance their performance and make them confident performers in their respective areas of work.

Thank you, Aarti Ma'am, and the team, of CUPDC, for the support!!
