Organised By	Office of Administration
Trainee Team/Count	50
SDG Covered	6,13,14,15

About the session :

The Office of administration organised awareness session on sustainable waste disposal & need of cleanliness. In this session, Admin officer Mr. Rattandeep Singh spread awareness to the workforce regarding the waste disposal practices they should adhere to as per the laid standards of the organisation, how to effectively utilize resources, and how the same played a very important role in protecting the environment. The sessions emphasized the need for cleanliness, need to maintain clean drinking water areas, timely cleanliness of water tanks, need to clear clogged and stagnant water at the earliest, discussed the ways to cultivate habits that keep surroundings tidy, and provided guidance on disposing of both biodegradable and non-biodegradable waste responsibly.

The need for cleanliness was also discussed extensively, with the speaker detailing how unclean environments are breeding grounds for diseases and pose significant health risks. The importance of maintaining cleanliness in public spaces, homes, and workplaces was emphasized as a shared responsibility that benefits the entire community. Additionally, the speaker provided tips on personal cleanliness practices and waste segregation techniques to prevent littering and pollution.

.

Outcomes

1. The session also inspired a few community members to organize local cleanup drives and waste management awareness activities in their neighbourhoods.

2. Attendees expressed a willingness to contribute to keeping their surroundings clean, recognizing it as a shared duty.
