Dew Drops

A row of five white icons on a green background, depicting a creche environment: a house with a star, a person, a person with a stroller, a person with a stroller, and a person with a stroller.

Organised by : Office of Administration

A row of four small icons representing the United Nations Sustainable Development Goals: Goal 3 (Good Health and Well-being), Goal 8 (Decent Work and Economic Growth), Goal 17 (Partnerships for the Goals), and the overall SDG wheel.

The support staff at *Dew Drops* play a vital role in ensuring the well-being of the children.

Hence, it is pertinent that the staff be aware of handling children and their requirements in a professional manner.

The Office of Administration organised a training session for support staff of Dew Drops to enhance childcare quality and strengthen their professional skills.

The session aimed to provide essential knowledge and hands-on experience to improve the staff's ability to care for children effectively.

The training equipped the staff with practical skills and updated best practices in childcare. By reinforcing key concepts in hygiene, safety, and child development, the session enhanced their ability to create a nurturing and stimulating environment.

The Office of Administration would like to thank the contributions of the distinguished resource persons from the Department of Nursing, CSHS.
