It's an urgent need now to return to the **“REUSE” culture** from the present **“SINGLE USE” culture**. One such example of responsible consumption is in the clothes we use in routine. Rather than discarding ill fitting clothes, these can be mended with a creative mind and reused.

*We need to spread awareness for this.*

An effort was made by CUCES to train women of nearby villages, as well as women support staff of campus to make **them EXPLORE THEIR POTENTIAL**, bring out their creativity and ensure responsible consumption!!! 54 women participated in the workshop.

We thank the Office of Administration for their support in flawless conduct of the event and Prof Dr. Vaibbhavi Ranavaade and Mr. Ravinder Singh from Department of fashion Design, Chitkara Design School!
