MAY THE FESTIVAL  
OF LIGHTS BRIGHTEN  
YOUR WAY TO SUCCESS  
AND HAPPINESS!

The festival of lights DIWALI, which symbolises the spiritual victory of Dharma and Adharma, light over darkness, good over evil, and knowledge over ignorance, has always been celebrated on campus with a lot of joy, gratitude and in absolute unity.

While every department, school, college celebrates the festival by decorating their venues and with get-togethers, the campus is lit aesthetically and beautifully adding to its already beautiful look !!

And yes...it is made sure that every employee of Chitkara gets a Diwali gift!

Have a look at our campus -the décor, the lighting and the teams in high spirits !!
