

HEALTH CHECK @ THE DEW DROP!!

A safe and secure haven for our toddlers – that’s what we from the **Office of Administration** always aim at, at the **DEW DROP**.

Here, health of toddlers is a critical aspect. Hence, we ensure regular health checks for them, with support from the **Department of Nursing**.

In this quarter of 2026 – the health checkup was organised on 27 Mar 2025.

The Resources persons were -

Asst Prof : Ms Vidhi and Tutor Ms Manpreet Kaur with their team of students

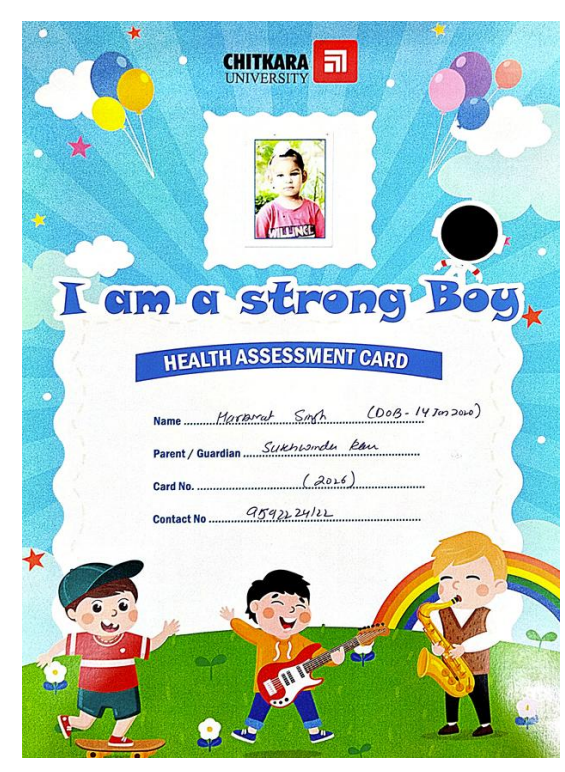

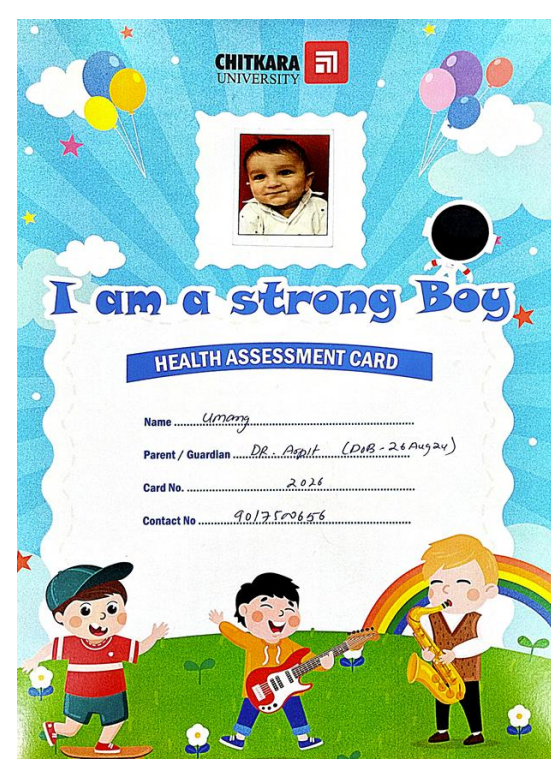

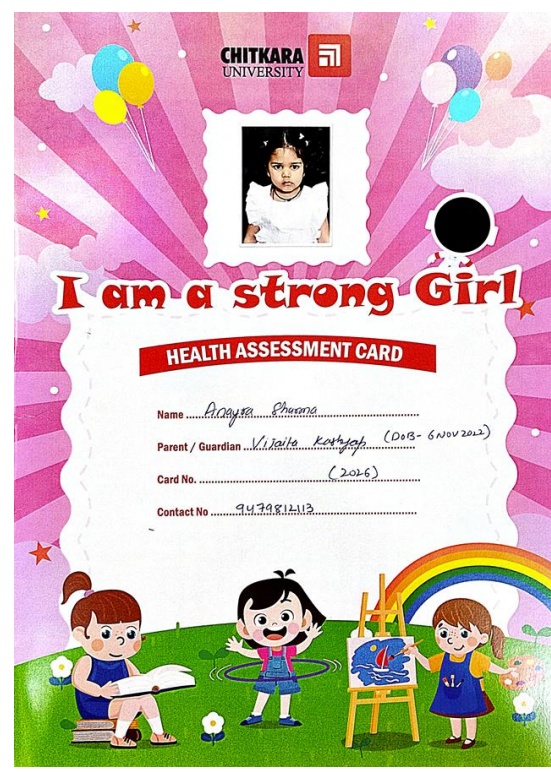

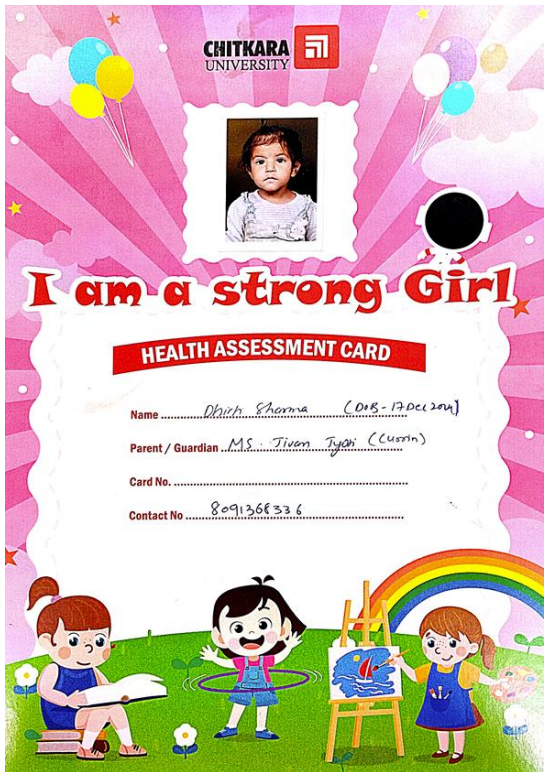

Each toddler has a health card which helps monitor the health checks of all the quarters!!

In these regular health checks, the parents of the toddlers are also present, and they discuss health related queries with the resource persons from the Department of Nursing!!
