Organised By : Office of Administration

The Office of Administration organized a CPR & BLS Training Session on 05 August 2026 to build awareness, confidence, and essential life-saving skills among support staff.

FROM DEMO TO HANDS-ON

The trainers demonstrated CPR on a training dummy, followed by hands-on practice by support staff. Participants performed the steps themselves and received guidance to improve their technique.

A Token of Gratitude

With sincere appreciation for your valuable contribution and guidance.
